MS. (b) (6) My name is (b) (6) ,

3

(b) (6)

4

HEARING OFFICER: So, typically we expect

5

your comment to be constrained to two minutes.

6

MS. (b) (6) I'll try -- then there it

7

is right there. Okay. Thanks. I don't like it

8

that -- it's got to be a hundred percent cleaning

9

up. These businesses, these organizations have no

10

right to pollute our Willamette River for years

11

and years and years, and now they're quiet. They

12

don't want to have to pay for it. It's going to

13

cost me the dollars and they ought to be stuck for

14

the payment.

15

Not us. Not the Willamette that the

16

city -- where the Willamette River runs through,

17

it is the businesses. They had no right to

18

pollute, but they did it anyway, and now they

19

think they can get away with it. They had no

20

right to get away with it at all. No just half

21

partial dredging. All the way dredging. Clean it

22

up. Clean -- a hundred percent.

23

I want this Willamette River, the

24

wildlife, the fish, everything to be pollutant

25

free. People -- there is poor people here in

1 Portland and they want to eat and catch the fish
2 and just for the fun of it. And they have a right
3 to eat this fish.

4 We have no right -- these businesses have
5 no right to do this. And they just want to hide
6 their head under the sand and get away with it.
7 No. No, no, no. Shame on them.

8 It's 29 seconds, 28 seconds. What can I
9 say now? I don't -- I'm speaking for the people
10 that are not here, that don't want to come down.
11 We have got to clean up a hundred percent and
12 don't let any of this -- these big companies or
13 small companies get away with it. They should
14 have thought about what they were doing -- I now
15 have four seconds -- and they did not. So give it
16 to them. I'm done.
